

WUSB - News

September, 2023

Dear WUSB members

Recognition by the FCI

We have the great honor and pleasure of announcing that the WUSB has been **officially recognized by the Fédération Canine Internationale.**

After the publication of the educational brochure on the standard by the FCI in June 2023, (<https://fci.be/Nomenclature/Education/061g02-PRE-fr.pdf>) the cooperation contract was also recently signed between the President and Director of the FCI, the President and Director of the Swiss Cynological Society and the President of the WUSB.

This is a historic date for the WUSB: with this cooperation contact, the WUSB is recognized by international dog-racing bodies as the world's benchmark gathering for our beloved breed.

WUSB 2024

The organization of the WUSB 2024 is in the hands of the Club Suisse du Saint-Bernard.

The WUSB event will take place in **Martigny - Switzerland on June 7 and 8, 2024.**

At the delegates' meeting on May 12 (Tornby - Denmark - WUSB 2023) it was decided to transform the three-day event into a two-day event.

On Friday June 7, the judges' and delegates' meeting will continue, and on June 8 the WUSB SHOW will take place.

Meeting protocols can be consulted on the website (Archives section).
